

## **Do you want a worthwhile career in Childcare?**

### **A C.E. Scheme will give you this opportunity.**

**Let me explain what a (Community Employment) C.E Scheme is:**

If you haven't worked in a few years or if your children are now in school and you would like to start a new chapter in your life, this could be what you're looking for.

**To avail of this scheme:**

You must be on a social welfare payment for one year or more.

Age 21 or over

You keep this payment plus any other entitlements e.g. fuel allowance.

You also receive an extra €100 a month approx.

**No experience necessary.**

Child Care places available to work in: JOBSTOWN, SPRINGFIELD and BROOKFIELD

The C.E. Scheme can last up to 3 years and the Big Bonus is you get all your training **FREE**.

This means you could get a Childcare qualification QQI Level 5 and QQI Level 6 for **FREE**.

This entitles you to work as a fully qualified person in any Creche.

There are many jobs available for qualified people.

All you have to do is work 19.5 hours a week in a child care setting and work towards your qualification.

You will work along side qualified people and get the help you require to become a success.
